

Physicians' Proposal Testimonials

As a physician who supports single-payer national health insurance, you have a unique opportunity to effect our ongoing national debate.

Please consider recording a video testimonial explaining why you support the Physicians' Proposal. The new proposal will be published May 5 in AJPH.

The entire process should take no more than 15 min.

What You Will Need

- Your white coat
- A smart phone
- A quiet room with a plain wall
- Access to your computer

or email dixon@pnhp.org.

Recording Your Testimonial

- 1) Retire to your quiet room, don your white coat, and stand against a plain wall.
- 2) **Turn your smartphone sideways.** This is crucial. Do not hold your phone vertically, as it will result in poorly proportioned video.
- 3) Activate your front-facing video camera (so you can see yourself in your screen) and hit record.

Testimonial Content

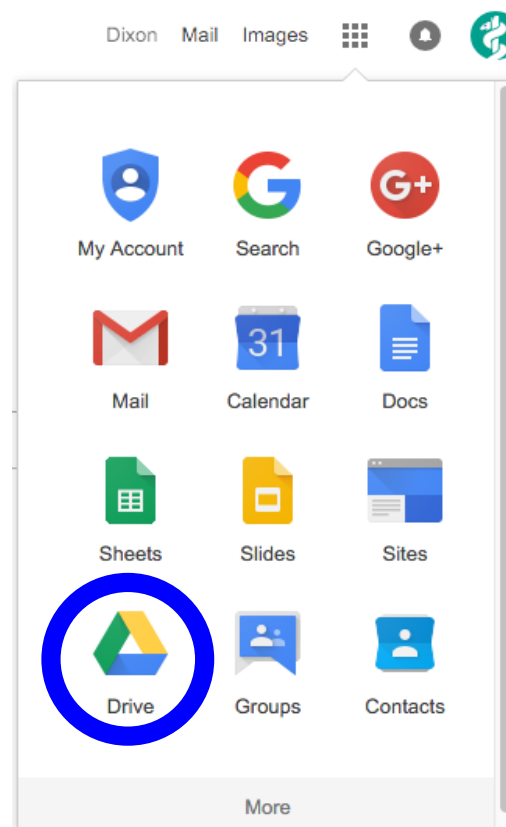

- Start by telling us your name and signaling your support for single-payer national health insurance.
- **Tell us why you support single payer.**
- Note specific challenges you or your patients face that would be alleviated by single payer.
- Note how single payer would address health challenges specific to your community.
- **Keep your recording short (60-90 seconds).**
